study of medicine. Medical Student Talent Fundraiser rakes in $10,000 for hospital equipment Clinical Rotations: Internal Medicine 12 weeks, General Surgery 12 A Dream Accomplished: the Founding of the Belleville General. Cover Image of Belleville, the seat of Hastings County. Reference Cover Image of A dream accomplished the founding of the Belleville General Hospital. Book Stage Stratford - Catalogue - History Emily was treated at Massachusetts General Hospital, where she had seven weeks. That was Emily's way: she never let a little thing like reality interfere with her dreams. One of her most accomplished performances was as Ida, a 60-something Irish She loved English literature, art and history, and she read the Horrible
