Kelly Link Discusses the Feminist Fairy Tales of Angela Carter. Angela Carter, 1940 - 1992. Biography of Angela Carter. Angela Carter, a British novelist, was born as Angela Olive Stalker in the town of Eastbourne in the year 1940. She was the daughter of a lawyer and a schoolteacher. Carter attended the Eastbourne College, where she developed an interest in literature. After completing her education, she worked as a reporter and later as a lecturer in English literature.

Carter's writing career began with her first book, "The Magic Toyshop" (1967), which was followed by "The Company of Wolves" (1972) and "The Bloody Chamber" (1979). Her works are characterized by their exploration of female sexuality, magical realism, and the intersections of fantasy and horror. Carter's stories often subvert traditional fairy tales, challenging the expectations of readers.

In her later years, Carter wrote extensively on a variety of topics, including film and popular culture. She was a prolific writer, with over 30 books to her name, and her work continues to influence contemporary writers and scholars.
