0921942257 Canada And Multilateral Aid by David R. Protheroe. a report prepared as a contribution to a comparative study on Donor Countries and Multilateral Development Aid by the North-South Institute, Ottawa, Canada. The report focuses on Canada's foreign aid spending and its role as a multilateral donor. The study examines Canada's aid in the context of multilateral agencies' use of their funds and the ability of developing countries to mobilize through international trade. The report highlights the role of multilateral development cooperation and the need for a shift towards a more efficient allocation and use of foreign aid.
The post-2015 sustainable development agenda: implications for Canada and Agenda 21 - IISD The North-South Institute, Canadian International Development Agency. Based in Ottawa, I conduct policy oriented research projects, and typically work in to development, multilateral development cooperation and aid effectiveness.
