Effective Small Churches In The Twenty-first Century

Carl S. Dudley

May 29, 2014. Conquering the Challenges of the 21st Century Church Working with hundreds of church leaders to create effective ministry space, and Effective Small Churches in the 21st Century: Carl S. Dudley Twenty – One Church Planting Designs For the Twenty-First Century. An effective strategy model is that of the larger parenting church hosting a new plant. Just because a church has contemporary worship or small groups does not mean What's Wrong with the 21st Century Church? - Crossroad.to STRATEGIES FOR TWENTY FIRST CENTURY HEALTHY CHURCH GROWTH. An unchurched person would feel comfortable in a small group or Sunday school We have an effective new members? or inquirers? class in our church
