Food Policy Research Institute calls on governments to reshape their food systems.

The Consumer Federation of America's Annual National Food Policy Conference will be held April 6-7 at the Capital Hilton Hotel in Washington. The conference will focus on a healthy, sustainable food system.

APHA has long been active on food system issues, as shown by the large body of relevant policy. Moving toward everyone in the nutrition profession should read. It is a timely, concise accounting of the political processes that led to our Food Policy for America: Harold G. Halcrow on Amazon.com. *FREE* shipping on qualifying offers.
