Well-known Israeli standards are transformed with a dynamic world beat sound. The addition of chants and superimposed harmonies over multiple Middle Eastern musical traditions create a unique sound that is both traditional and contemporary. The CD features arrangements by Fran Avni, a well-known Israeli singer, songwriter, and performer. The music is a fusion of Israeli, African, and Middle Eastern influences, making it a must-listen for music lovers of all backgrounds. The CD is available at Israel World Beat Songbook and Eretz: Music and Vocal Arrangements by Fran Avni. For more information, visit www.worldbeat.tv.
