In 1875, a woman had to be tough to make it on her own. Maggie Maguire was even tougher. In this unique new mystery, Maggie Maguire operates her own Discreet Inquiries agency in Bent Elbow, Nevada. Her sleuthing skills are needed to solve the murder of a local businessman who is found dead in his home. Maggie, who grew up in a traveling medicine show, uses her knowledge of human nature to uncover the truth behind the murder. She is joined by her cousin Grady, who helps her with her investigations. This book is the first in the Maggie Maguire series and is a must-read for mystery lovers.
