Our Common Future: From One Earth to One World - A/42/427. We recognize that poverty eradication, changing unsustainable and promoting sustainable, are important for sustainable development and our common future. We commit ourselves to reinvigorating the global partnership for sustainable development, poverty eradication, and sustainable development. The MDGs set concrete targets and indicators for poverty reduction in order to achieve the goals of poverty eradication, sustainable development, and post-2015. Further, the workshop focused on the importance of collaboration and partnership for achieving the Sustainable Development Goals (SDGs) and the post-2015 agenda.

The workshop was held in the framework of the Global Partnership for Sustainable Development, which envisions a world free of poverty, hunger, illiteracy, and inequality. The workshop aimed to contribute to the development of the post-2015 agenda by fostering dialogue and collaboration among stakeholders.

The workshop included panel discussions and interactive sessions, where participants shared their experiences and insights on sustainable development, poverty eradication, and the role of partnerships.

The workshop concluded with a call to action, emphasizing the importance of building partnerships and alliances for achieving the Sustainable Development Goals and the post-2015 agenda. The participants highlighted the need for collective action to address the global challenges of poverty, inequality, and environmental degradation.

In conclusion, the workshop served as a platform for stakeholders to exchange ideas and contribute to the development of the post-2015 agenda. The workshop demonstrated the importance of partnerships and collaborations in achieving sustainable development and poverty eradication.
