Still Waters and Skyscrapers: The 23rd Psalm for the 21st Century

Dave Tomlinson

Still waters and skyscrapers: the 23rd Psalm for the 21st century Despite widespread biblical illiteracy, many people--Christians and the non-religious alike--can still recite Psalm 23. Frequently heard at funerals and in movies, Still Waters and Skyscrapers: The 23rd Psalm for the 21st Century, is a work that serves as a reminder of the power of God's Word. The 23rd Psalm for the 21st Century offers a fresh perspective on this well-known passage, providing a modern-day application of its timeless wisdom. The book explores the contrast between still waters and skyscrapers, illustrating how God's presence is just as relevant and necessary in the midst of our fast-paced, modern world as it was in biblical times. It challenges readers to find solace in the stillness of life's simple moments, even as they navigate the complexities and challenges of the 21st century.
Still Waters and Skyscrapers: The 23rd Psalm for the 21st Century by Still Waters and Skyscrapers is a very gentle book that digs deeper into The 23rd Psalm for the 21st Century - CBN.com
