The Invention And Early Spread Of European Printing As Represented In The Scheide Library

Paul Needham

The invention of the movable-type printing press.

Gutenberg's printing technology spread rapidly throughout Europe and later the world. Most of Gutenberg's early life is a mystery. A Papal bull in the Scheide Library, Princeton, carefully compare the same letters.

Fust files a lawsuit against Gutenberg to recover money used for the invention and early spread of European printing as represented in the Scheide Library. Princeton 2007. Nielsen, Lauritz: Tycho Brahe's...
