Transplant: A Family Chronicle

Philip Dossick

A positive outlook is good but it is also helpful to be prepared for the tough times ahead that can come with a transplant. Caregiver Lifeline will chronicle the life of a family. Transplant: A Family Chronicle by Dossick, Philip - 1978 - from L. Jan 16, 2011. A family, united. Six days before the transplant, the women in the family seemed far more anxious than the men. Photo: Melissa Philip, Houston Chronicle. Transplant, a Family Chronicle - DOSSICK, PHILIP - Antiqbook. - Jun 18, 2015. Family seeks support as son, 9, has stroke, needs transplant. Transplant patient finds kidney problems run in family. By Tom Corwin. Staff Writer. Sunday, July 19, 2015. Washington dad died after developing swine flu. - Chronicle Live
